98% believe American Health is innovative

98% would recommend American Health

98% say that American Health is easy to work with

“

responsive and professional

They always respond quickly when we call and they are friendly.

knowledgeable

American Health is great. They're awesome. I can count on them to help me when I need it.

consistency

They set the gold standard for communication.

They exceed anybody else out there. Their CM is superior. I don't think anyone can compare to their specialty case management.

dedicated

”

Full-scale customer satisfaction survey commissioned in 2017 to meet URAC requirements. Administered by independent consultant, Saperstein Associates.
